UW GRADUATE SCHOOL
UW Core Programs
Core Programs provide resources and experiences aimed at success for graduate students. Our programs focus on necessary skills and capacities that help contribute to flourishing from the moment you enter to the time you transition successfully into a career of your choosing. For any questions or comments for Core Programs at the Graduate School, please email us at coreinfo@uw.edu. Please see our website for online resources and links to our partners for even more events. grad.uw.edu/profdev

UW Graduate Opportunities & Minority Achievement Program
GO-MAP is committed to serving the needs of students of color and underrepresented groups. GO-MAP strives to foster an educational and social environment in which all students can learn and develop through experiences rich in cultural, ethnic, and racial diversity. We host quarterly receptions as well as Power Hour lunches in which guest faculty and community partners address a variety of topics aimed at student success in graduate school. For more information, please visit: www.grad.washington.edu/gomap

Graduate Funding Information Service Advising
The Graduate Funding Information Service (GFIS) works with current and admitted UW graduate students. GFIS helps students identify and use different resources to locate funding opportunities for graduate-school related expenses including tuition, research, conference and research travel. Students can seek answers to their questions during drop-in advising hours, can schedule individual appointments, or can request information by e-mail. http://commons.lib.washington.edu/services/gfis
