

**UW First Generation Graduate Students Social  
Co-Lab Activity  
October 25, 2016**

1. What fuels you? What brought you to graduate school?
  
2. What has surprised you about graduate school so far?
  
3. What is one thing you've figured out, or a resource or person you've connected with, since you started graduate school?
  
4. Where do you like spending time when you are off campus?
  
5. If there is one thing you could share with faculty or staff about your experience as a first gen graduate student, what would it be?
