FOR PROPOSALS

Are you a grad student or postdoc who wants to perfect your presentation skills for a general audience?

Then you should submit a proposal to give a 5-minute, low-stakes and fun lightning talk about your capstone, research, or pedagogy! Scholars' Studio is an opportunity to practice communicating your work in front of a supportive general audience – without using a lot of technical or academic jargon. The Autumn 2024 event will take place on Wednesday, Nov. 20, 3 - 4 p.m., on the Seattle campus.
